Hot Stone Massage Therapy

Give her what she's been waiting for...

Decadent, Luxurious, Pampering

Indulge in the decadent pampering of Hot Stone Massage therapy.

Heated massage tables to pamper your beloved. This wonderful massage therapy has its roots as far back as the ancient world. Today, hot stone massage therapy is becoming widely known for its therapeutic and deeply relaxing benefits. The technique involves placing water-heated smooth stones of various sizes on key points on the body or face. The resulting deep massage and sensation of warmth and comfort are not to be missed. The hot stone experience can relieve pain; promote harmony and balance within the body. The therapy is all about you and the restorative benefits it has to offer. Relax and enjoy the wonderful sense of stillness.

Reflexology

A Natural Healing Art

Janiece Henderson— RMT, RM, CR
Certified Reflexologist

Reflexology is a natural and drugless healing art. It is based on the principle that there are zones and reflexes in the hands and feet which correspond to every gland, organ and part of the body. Massaging these reflex areas on the feet promotes health in the corresponding organs and stimulates natural energy, causing it to flow more freely throughout the body.

Acupuncture

Give your Love the Gift of Health & Wellness

Brian Phillips- D.Ac., C. Ht.

Acupuncture is a safe and effective natural therapy that is used to heal illness, prevent disease, and improve well-being. Acupuncture has long been used in Far Eastern medicine to balance the motional, physical and spiritual aspects of the human body. Progressively more health care practitioners, both holistic and traditional are discovering the importance of acupuncture in maintaining and regaining good health.

Reiki

Healing Energy

Janiece Henderson— Reiki Master

Originating from Japan, Reiki is a popular yet ancient method of healing. The word Reiki means 'Universal Life Force Energy'. A trained practitioner, through the laying on of hands, activates and directs the Reiki energy. The energy healing art of Reiki improves the body's ability to cope with illness and discomfort, encourages the body's natural healing ability, and allows for relaxation, stress reduction, pain management, helping to balance the physical, emotional and spiritual wellbeing.

Yoga

Melt the Stress Away

Sue Coleman- RYT

Would you like to have more energy? Feel less stressed at the office? Yoga alleviates stress and enhances relaxation. It promotes a sense of serenity, gets rid of mind chatter and can help relieve **insomnia**. Sitting in front of a computer all day can cause back pain from tightness and spinal compression. Yoga improves body alignment, which helps to prevent tension and stress on your body. We'll gently release tension from your back, shoulders, arms, hands, hips and neck. Increase flexibility, improve posture and still your mind with Yoga, the practice of postures for strength, lengthening and vitality.
